League Rules

This league is governed by the current USA Volleyball rules and the following DPR rules:

MATCH RULES:

NO OFFICIALS: Players are required to abide by all volleyball rules. Players will call violations for their own team during the game, if there is a dispute about a point, the point will not be counted and will be replayed. All calls and disputes will be presented in a sportsmanlike manner and resolved by captains.

SCORING: 3 sets to 21 guaranteed each match, win by any margin. Every set win/loss counts towards overall season standings. TEAMS RESERVE THE RIGHT to switch sides every 7 points for all for varying environmental and weather consistency.

*Tournament/Bracket play does not require a third set and is best of 3 sets.

SCORE KEEPING: Teams are responsible for keeping track of their own scores on the clip boards on site. In order to keep proper score the match score will be called out by the server before every serve. If the server does not call out the score before serving, the ball is dead and possession will go to the other team.

TIME LIMIT: 50 minutes per match. If time expires during the 2nd or 3rd set, the team in the lead will win the set. If time expires with the match tied, a 3rd set will be played, first team to score 5 points wins by any margin.

TIMEOUTS: One 30 second timeout per set.

FORFEITS: Match time is forfeit time for Set 1. Match time +10 minutes is forfeit time for the entire match. If you know your team will be forfeiting a match, please contact the Adult Sports Supervisor ahead of time.

PLAYERS ON THE COURT:

4v4- must have at least 3 players to start and finish. Co-ed teams must have one female playing at all times and no more than 2 males playing at a time (If only one female present, the team will be required to play with 3 total players; 2 males and 1 female).

GAME RULES:

COED SPECIFIC RULES:

PLAYER CONTACT: ~~A female must contact the ball at least once before it goes over the net unless there are less than three total hits.~~ Contact made during a block does constitute playing the ball but does not count towards the teams 3 touches.

SERVING: The server is allowed one re-toss per serving rotation. If the ball hits the net and goes over the net during a serve, the ball is considered in play.

BLOCKING: A player may reach over the net while blocking, but cannot reach over the net in an attempt to impede the play in progress. Blocking a served ball is not allowed. A block does not count towards total 3 hits.

BALL CONTACT: Contact with the ball must be a "clear" hit. A lift will be called if a player scoops, lifts, pushes, carries or holds the ball. On the first contact after crossing the net, if the ball is not held, a double contact hit is legal. The ball may be contacted by any body part; head, fist, knee, head, are all legal. If two players simultaneously contact the ball, either player can be the next legal contact on the ball. Any foot touches or kicks will count as a hit and can be played. No open hand tipping. Players shoulders must be squared to the direction the ball is hit when setting (ie: no side setting).

NET VIOLATION: Contact with any part of the net by a player will result in a fault. If a player goes under the net, no foul will be called unless that player impedes play.

BALL ON COURT: If a loose ball enters the court during a rally, it is an automatic replay.

EJECTIONS: Any player ejected will automatically be suspended from the next scheduled game. If a second ejection were to occur, the player will be removed from the season's league.

PROTESTS: Protests are not considered on official judgment calls.
